Facilities Provided for Women

SAFETY AND SECURITY:

- ❖ The college has taken extreme care with respect to security of all the inhabitants of the campus. All the students are allowed to travel only by the college buses for the safety of the students and private vehicles are not encouraged.
- ❖ CCTV surveillance and monitoring is available throughout the campus for safety reasons.
- ❖ Students and visitors are allowed on the submission of identity cards and proof of identity respectively.
- ❖ Checking of vehicles and people at all exit and entry points.
- ❖ In hostels, wardens and floor in charges are available 24x7 for in-house security purposes.
- ❖ During weekends, the hostel students are taken outing along with hostel in charges only through the college buses in order to provide a secured environment even during shopping.
- ❖ Medical and ambulance facility are being provided for medical emergencies.

COUNSELING:

As per the guidelines of MHRD and AICTE, the college has established “Student’s counseling Centre ”comprising of a Professional Psychiatrist and two senior faculty of the institution to address the issues related to sexual harassment and other genders specific problems.

General Counseling:

In addition the college has also established a “Grievance and Redressal Committee”, which pays utmost priority to students counseling regarding various genders specific issues. This

committee carries out counseling as and when needed to the female students in groups and at individual level. Personality development sessions are being regularly organized for overall development of the students by inviting resource persons from different organizations.

Academic Counseling:

Students at the time of admission are counseled on choosing their preferred program by senior faculty members who guide them to take appropriate choices based on facts and figures.

At the department level, for every 15 student one faculty mentor is appointed who counsel the students in dealing with personal matters like mental stress, depression, general disinterestedness in studies; personal care is taken by the advisors to build the confidence and morale of the students who are in low spirits. In addition they also help the students in academics, co-curricular and extra-curricular activities and making career choices.

COMMON ROOM

Separate common rooms are available for boys and girls. The girls' common room is made available for girl students to take rest and other personal and medical needs. It is provided with washrooms, dressing mirrors, newspapers. Availability of 'sanitary pads' and other personal needs are ensured in the common room. There are two female attendants who ensure safety of girls and also maintain cleanliness in the common room. This room is located in on ground floor itself for better and easy access.

As a unique practice, the college permits the girl students and staff members to avail a special leave of 2days per semester termed as 'Necessity leave' in view of anticipated physiological needs during menstrual cycle.

By all the above means, St. Joseph's College of Engineering offers true spirit of education is being practiced in the campus i.e. no discrimination against caste, creed, religion and gender.

Annual Gender Sensitization Programs

IEEE STUDENT BRANCH CHAPTER:

REPORT FOR WOMEN IN ENGINEERING SOCIETY

Report for 1st Webinar on the Topic “MY IEEE JOURNEY”

St. Joseph’s College of Engineering under IEEE Student Branch Chapter have successfully organized, the first webinar on 27/01/2022 Empower Women Together titled “SHE LEADS” was made vibrant with an enthralling speaker’s presence **Dr.S.Brindha**, is an active IEEE volunteer and the Student Branch Counsellor of Sri Sairam College of Engineering, Chennai. The session was to enlighten us on “MY IEEE JOURNEY”, the speaker drew our attention to whether we needed confidence rather than competence in which she explained about experience, skills, knowledge, behavior, performance, and our goals. About 95 participants from various countries around the world registered and benefited through “SHE LEADS”.

The event was hosted by Ms. Abinayaa Sri T and the Q and A session was handled by Ms.Christel Peeris R. By the end of the session, a memento was presented to Dr.S.Brindha by Ms.Christel Peeris R to honor her presence in SHE LEADS’.

The poster is for a webinar titled "SHE LEADS" under the "Empowering Women Together - Webinar Series". It is presented by the IEEE Women in Engineering Affinity Group at St. Joseph's College of Engineering. The speaker is Dr. S. Brindha, Professor (ECE) and SB Counsellor at Sri Sairam Engineering College. The moderators are Abinayaa Sri T and Christel Peeris R. The event is held on 27/01/2022 at 06:30 p.m IST via Google Meet. Logos for IEEE, St. Joseph's College of Engineering, and the Affinity Group are at the top. A photo of Dr. S. Brindha is on the left, and photos of the moderators are at the bottom. The IEEE SJCE SBC logo is at the very bottom.

Report for 2nd Webinar on the Topic “MY IEEE VOYAGE”

St. Joseph’s College of Engineering under IEEE Student Branch Chapter have successfully organized the webinar on 28/01/2022, Empower Women Together titled “SHE LEADS’ ” was made vibrant with an enthralling speaker’s presence **Ms.Jenifer Castillo Rodriguez**, who is an active IEEE volunteer and the IEEE Women in Engineering Committee Chair (2021-2022) and IEEE Region9 Director-Elect (2022-2023).

" MY IEEE VOYAGE " was the topic of the speaker's presentation. She discussed the significance of goal-setting in one's life. She talked about her personal life as well as her professional experiences. She emphasized the necessity of women's empowerment in all sectors. On an overview, the session was very motivating and made us think about what changes we can make in our lives to become leader. About 105 participants from various countries around the world registered and benefited through “SHE LEADS’ ”.

The event was hosted by Ms. Jamuna U and the Q and A session was handled by Ms. Abinayaa Sri T. By the end of the session, a memento was presented to Ms. Jenifer Castillo Rodriguez by Ms. Abinayaa Sri to honor her presence in SHE LEADS’.

Report for 3rd Webinar on the Topic “DEVELOPING CAREER SKILLS ”

St. Joseph’s College of Engineering under IEEE Student Branch Chapter have successfully organized the webinar on 29/01/2022, Empower Women Together titled “SHE LEADS’ was made vibrant with an enthralling speaker’s presence **Ms.Uduak Akpanedet**, who is currently working as a graduate consultant within the technology team. The session was to enlighten us on “ DEVELOPING CAREER SKILLS ”, the speaker drew our attention. Networking is an important skill that everyone needs to acquire. She insisted every participant interact and made it an interactive session. The participants enjoyed the networking webinar through which they gained the skill to ask questions and interact with everyone. About 110 participants from various countries around the world registered and benefited through “SHE LEADS’

The event was hosted by Ms. Ramya R and the Q and A session was handled by Ms. Christel Peeris By the end of the session, a memento was presented to Ms. Uduak Akpanedet by Ms.Abinayaa Sri to honor her presence in SHE LEADS’.

The poster is for a webinar titled "SHE LEADS' Empowering Women Together - Webinar Series". The main topic is "Developing career skills". The speaker is Ms. Uduak Akpanedet, a Graduate Consultant at ITP Energised. The moderators are Christel Peeris R and Ramya R. The event is hosted by St. Joseph's College of Engineering, IEEE Woman in Engineering Affinity Group. The date is 29/01/2022 at 06:00 p.m IST. The poster includes logos for IEEE, St. Joseph's College of Engineering, and the IEEE Student Branch Chapter. It also features a Google Meet icon and social media icons for LinkedIn, Instagram, and Facebook.

Report for 4th Webinar on the Topic “WHY WOMEN IN IEEE ?”

St. Joseph's College of Engineering under IEEE Student Branch Chapter have successfully organized the webinar on 30/01/2022, Empower Women Together titled “SHE LEADS’ ” was made vibrant with an enthralling speaker's presence **Ms.Bozenna Pasik-Duncan**, who is a professor of mathematics, a courtesy professor of both EECS and AE and an ITTC investigator at the University of Kansas.

The session was to enlighten us on “WHY WOMEN IN IEEE ?”, the speaker drew our attention to her own life experience in IEEE and also about the importance of women in IEEE. About 75 participants from various countries around the world registered and benefited through “SHE LEADS’ ”.

The event was hosted by Ms. Deepika and the Q and A session was handled by Ms.Dharani. By the end of the session, a memento was presented to Ms.Bozenna Pasik-Duncan by Ms. Kaviya to honor her presence in SHE LEADS’.

The poster is for a webinar titled "SHE LEADS' Empowering Women Together - Webinar Series". The main topic is "Why Women in IEEE?". The speaker is Ms. Bozenna Pasik-Duncan, Deputy Chair of the IEEE CSS Technical Committee and Professor at The University of Kansas. The event is moderated by Deepika U and Dharani V. It is organized by St. Joseph's College of Engineering, IEEE Women in Engineering Affinity Group, and the IEEE Student Branch Chapter. The date is 30/01/2022 at 09:00 a.m IST. The poster includes logos for IEEE, St. Joseph's College of Engineering, and the IEEE Women in Engineering Affinity Group. It also features a Google Meet icon and social media icons for LinkedIn, Facebook, and Instagram.

Report for WIE OFFICE BEARERS

IEEE Women in Engineering under St Joseph's College of Engineering Student Branch Chapter organized WIE OFFICE BEARERS meet on January 12, 2022, at 8:45 PM. The event was conducted in G-meet. There were a total of 15 participants. The event was organized by Mr. Sreekanth with the SB team. The notable participants were Abinayaa Sri T (Chairperson of WIE-2022), Jamuna U (Vice-Chairperson), Christel Peeris R (Secretary), Kaviya P (Joint-Secretary), Ramya R (Treasurer), Committee members Deepika U and Dharani V. Akshaya S, the Ex-Chairperson of IEEE SJCE WIE-2021, also joined with us and shared her experiences through this meeting.

They discussed the basic criteria about WIE and our plans and the betterment we could make inside our SB to meet out the vision and mission of IEEE WIE.

Report for 6th Webinar on the Topic “Creating Collective Impact-The IEEE Way”

As a celebration for WIE 25th Anniversary Celebration, we conducted a webinar session “WOMEN’S FORUM” on the topic “Creating Collective Impact-The IEEE Way”. **Dr.Aishwarya Bandla** enlightened us with her IEEE journey and experiences that she had after joining IEEE. She also emphasized on the point how important volunteering is for young people. In accordance to the celebration Dr. Aishwarya Bandla inaugurated the logo for IEEE SJCE WIE AG; it was delightful to have her in our session. We designed a new Logo for 25th anniversary Celebration and the Grand launch of the Logo was done by Dr.Aishwarya Bandla and it was streamed Live on YouTube.

Students had an amazing experience in the meet and the participants enjoyed the entire session. The event was hosted by Ms.Abinayaa Sri T and the Q and A session was handled by Ms.Christel Peeris R. By the end of the session, a memento was presented to Dr.Aishwarya Bandla by Ms.Christel Peeris R to honor her presence in WOMEN’S FORUM.

The poster is for a webinar titled "Women's Forum" as part of the "WOMEN IN IEEE WEBINAR SERIES". It is presented on behalf of the IEEE WIE 25th Anniversary Celebration. The speaker is Dr. Aishwarya Bandla, who is also the Professional Activities Chair for the IEEE Singapore section, an Eta Chi member, and the IEEE Rio Women in Engineering Chair. Her topics include Engineering in Medicine & Biology (EMB) Singapore and EMB YP Global. The webinar is scheduled for Thursday, April 28, 2022, at 12 PM IST. It will be hosted via Google Meet. The poster features a photo of Dr. Bandla and logos for IEEE, WIE, and IEEE SJCE SBC.
