Annual gender sensitization action plan

In the year 2022-2023 gender specific events have been proposed

IEEE Women in Engineering Society planned to organize the following women specific events as interactive sessions - knowledge enrichment's,

- IEEE Women In Engineering AG under St. Joseph's College of Engineering Student Branch Chapter organized an online event "Say no to child labour" for School Diploma and College students.
- IEEE Women In Engineering AG under St. Joseph's College of Engineering Student Branch Chapter organized "**SLOGAN CONTEST**" under the topic, "**Significance of Manpower for India's Future**".
- "Impact of IEEE WIE IN MY CAREER" and "MY IEEE JOURNEY".

It is planned to celebrate WIE 26th Anniversary, by conducting lectures on,

- International Panel Discussion - "**The Power of 'She'**" on the topic "**BE YOUR BOSS, BUILD YOUR PATH**".
- "**SHE ignite**" on the topic "**Bringing Everyone Forward**" on behalf of **International day of Women and girls in science**. The event focuses to inspire and share ideas with people in all areas and sectors, especially the women's community, to advance and meet the challenges of their different workplace environments.
