

## PHOTOGRAPHS – INAUGURAL FUNCTION & LECTURE SESSIONS

**Prof. J. S. RAO**, President, The Vibration Institute of India and Chief Science Officer, Altair Engineering (India), Bangalore inaugurated the programme by lighting the kuthuvilakku

**Prof. J. S. RAO**, President, The Vibration Institute of India and Chief Science Officer, Altair Engineering (India), Bangalore Delivers the inaugural address

**Prof. J. S. RAO**, President, The Vibration Institute of India and Chief Science Officer, Altair Engineering (India), Bangalore, hadles the very first session of the FDP

**Dr. CHANDRAMOULI, P.** Professor, Department of Mechanical Engg, IIT Madras during his sessions on “Fundamentals and Mathematical modeling of vibration”

**Dr. SUJATHA.C**, Professor, Department of Mechanical Engg, IIT Madras during his sessions on “Vibration measurement techniques and equipment”

**Dr. ABHIJIT SARKAR**, Professor, Department of Mechanical Engineering, IIT Madras during his sessions on “Hands on computer session on MATLAB, SIMULINK, ANSYS”

**Dr. ABHIJIT SARKAR**, Professor, Department of Mechanical Engineering, IIT Madras during his sessions on “Vibration of beams”

**Dr. A. SESHADRI SEKHAR**, Professor, Department of Mechanical Engineering, IIT Madras during his sessions on “Rotor dynamics”

**Dr.R.MANOHARAN**, of VIT-Vellore during his sessions on “Vibration control using Smart Structures”

**Dr.A.ANANDA BABU**, of VIT-Vellore during his sessions on “Dynamic characterization and Analysis composite Plates”

**Dr. G. BALAKRISHNAN**, Engineering Supervisor, Caterpillar India Private limited, Chennai during his sessions on “Vibration measurement and analysis of engine, generators and its mounted components”

**Dr. A. SESHADRI SEKHAR**, Professor, Department of Mechanical Engineering, IIT Madras during his sessions on “Condition monitoring”

**Dr. B. SANTHOSH**, Associate Professor, Amrita University, Coimbatore during his sessions on “Fundamentals of non linear vibrations”

**Prof.K.JAYARAMAN**, Professor of Eminence, Aerospace Engineering, MIT-Chromepet, Chennai during his sessions on “Continuous Systems – Approximate Solutions”

**Dr. K. V. MOHANKUMAR**, Principal Project Officer, Machine Design Section, Department of Mechanical Engg, IIT Madras, Chennai during his session on “Formulation and solution of equations of motion”

**Dr. K. MOHAN VARMA**, Department of Mechanical Engg, VIT-Vellore, during his lab session on “Formulation and solution of equations of motion”

**Dr. K.MALAR MOHAN**, Associate Professor, Department of Mechanical Engg, CEG-Guindy, Anna University, during his sessions on “Vibration Isolators”

**Dr. KARI THANGARATNAM** from iDESIGN Technologies Pvt. Ltd., Engineering Services, Chennai, during his sessions on “Finite element Formulation for vibration and Vibration analysis of Composite structures”

**Dr. ABHIJIT SARKAR**, Professor, Department of Mechanical Engineering, IIT Madras during his sessions on “Signal processing in vibration”

**Mr. VIJAYAKRISHNA**, from VIBROTECH TRAINERS AND CONSULTANTS Pvt Ltd. Chennai during his lecture and demonstration sessions on “Vibration analysis and diagnostic studies”

**Prof.S.NARAYANAN**, Professor of Eminence, IIITDM, Kancheepuram during his sessions on  
“Chaotic Vibrations and Random Vibrations”

## PHOTOGRAPHS – VALEDICTORY FUNCTION

**Dr.S. Arivazhagan , Professor & Head,  
Department of Mechanical Engineering,  
Welcomes the gathering.**

**Prof.S.NARAYANAN, Professor of  
Eminence, IIITDM, Kancheepuram delivers  
Valedictory Address**

**Distribution of Certificates to Participants**

**Prof.S.NARAYANAN, Professor of Eminence, IIITDM, Kancheepuram, along with the Participants after distributing the certificates.**
