Memorandum of Understanding

Between

St. Joseph's Group of Institutions

And

IBM India Pvt. Ltd

This Memorandum of Understanding ("MoU") is entered into at effective as of 3rd June 2013, by and between:

IBM India Private Ltd., a company incorporated under the provisions of the Companies Act, 1956 and having its registered office at Subramanya Arcade, Bannerghatta Road Bangalore 560076 and hereinafter unless the context otherwise requires be referred to as "IBM".

And

St. Joseph's Group of Institutions having its registered office at Old Mamalapuram Road, Chennai - 600 119, Tamilnadu, and hereinafter unless the context otherwise requires be referred to as "St. Joseph's"

Whereas:

WHEREAS St. Joseph's with a view to democratize education, disseminate knowledge through novel techniques and methodologies for the benefit of large sections of society, offering a wide range of programs.

WHEREAS St. Joseph's and IBM having felt the need to provide the learners with the trainings which may lead to enhanced skills, IBM and St. Joseph's agree to work through the IBM Career Education program

WHEREAS St. Joseph's and IBM agree that all discussions between St. Joseph's and IBM are non binding unless and until the parties enter into written, definitive agreement signed by their duly authorized representative and neither party shall be obligated to enter into such an agreement

WHEREAS IBM anticipates that St. Joseph's will elect to engage IBM as the primary and preferred technology provider for software and services.

promptly inform IBM to allow IBM a reasonable opportunity to obtain a protective order. IBM and ST.JOSEPH'S agree not to use the trademark, trade names, services or any other proprietary marks of the other party in any advertisement, press releases, publicity matters or other promotional materials without prior written approval of the other party. Any press release, publicity or media interaction pertaining to this MoU signing or IBM activities on campus need to have prior written consent from IBM. Any violation of this will amount to material breach and will lead to the termination of this MoU.

This MoU supersedes all prior oral or written communication, discussions and representations communicated between the parties hereto in respect of the subject matter of this MoU. Any modification to this MoU shall only be made by way of a written document duly executed by representatives of both parties hereto.

If any provision of this MoU is held to be unenforceable or illegal under certain circumstances for any reason, such decision shall not affect the validity or enforceability of such provisions under other circumstances or the remaining provisions hereof and such provisions shall be reformed only to the extent necessary to make them enforceable under such circumstances.

Any notice under this MoU will be in writing and delivered by hand or by registered mail, return receipt requested, to the other party at the registered office or as may be substituted by the notice. If any notice is sent by mail, notice will be effective on the date of receipt.

ST.JOSEPH'S shall maintain at all times, a one-point contact for the IBM trainings being conducted at the institution. Any change in the contacts below will be promptly notified to IBM.

Chipthing Labs

Accelerating the Embedded Revolution

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding, made on this 4th February 2015 entered into between:

Chipthing Labs, a company incorporated under the Indian Companies Act, 1956, having its head office at, 8/25, 3rd Floor, Kamar Street, Alandur, Chennai – 600016 represented by Mr. R. Pandiaraj- Project Manager, is in the business of Embedded System Solution Provider and Training, the party of the first Part;

And

St. Joseph's College of Engineering, an Organization, having its Principal office at Old Mamallapuram Road, Semmancherry, Chennai -600119 and represented by its Head of the Department/ECE, the party of the second part;

Whereas Chipthing Labs is in the business of Embedded System Solution Provider and Training, and wishes to extend its operations by making available its expertise to other organisations

Whereas St. Joseph's College of Engineering is desirous imparting training in various fields, more fully described in the Schedule A attached hereto and has approached CHIPTHING LABS for lending its services by way of manpower, course materials and allied instruments;

Now this Memorandum of Understanding witnesseth as follows:

A. CHIPTHING LABS'S RESPONSIBILITIES

1. Chipthing Labs undertakes that it will conduct training program(s)/courses detailed in Schedule A at the premises provided by St. Joseph's College of Engineering
2. Chipthing Labs will provide Instructors to impart in-depth lecture sessions and guidance during the practical sessions.
3. Chipthing Labs will meet the expenses incurred by the instructors towards travel, transportation and boarding.
4. Chipthing Labs will provide the course material for the students and also will issue a certificate to the successful candidates. (The certificate will be countersigned by the college)
5. Chipthing Labs will bear all participation costs of the principals and collaborators.

Head Office

8/25, 3rd Floor, Kamar Street,
Alandur, Chennai – 600 016.

Ph : 044 – 43322504

Web : www.chipthinglabs.com

Email : chipthinglabs@gmail.com

**Chipthing Labs**

Accelerating the Embedded Revolution

6. Chipthing Labs will provide placement assistance for the certified students.
7. Chipthing Labs grants to St. Joseph's College of Engineering a non-exclusive right to use its logo and St. Joseph's College of Engineering shall use any trademark / logo of Chipthing Labs only in relation to the promotion of the training covered under this agreement and during the term of this agreement.

B. ST. JOSEPH'S COLLEGE OF ENGINEERING'S RESPONSIBILITIES

1. St. Joseph's College of Engineering will provide necessary space and other infrastructures like Computers, Printers, UPS, furniture & fixtures, support facilities, video and audio, etc., as per Annexure attached to conduct the courses. St. Joseph's College of Engineering will have exclusive right to operate the Chipthing Labs inside the college campus subject to the terms of this agreement.
2. St. Joseph's College of Engineering will ensure that each participating student has access to relevant hardware and software.
3. St. Joseph's College of Engineering in discussion with Chipthing Labs will undertake any special or specific promotional campaign/s and the costs will be shared as agreed to by parties in advance.
4. St. Joseph's College of Engineering undertakes not to forward or disclose any information concerning the specifics of this agreement to any third party without the prior written consent of Chipthing Labs.

C. TERRITORY, AUDIENCE AND GENERAL CURRICULUM

1. Course materials may not be given or sold, nor would courses be delivered outside the assigned location. The location could be changed only on receiving a written consent from Chipthing Labs.

D. PERIODIC REPORTING, AUDIT & PAYMENT

1. St. Joseph's College of Engineering agrees to keep accurate records in accordance with generally accepted accounting principles and standards to enable verification of payment to Chipthing Labs as per this agreement. Chipthing Labs has the right to audit St. Joseph's College of Engineering records in this respect at any time with prior intimation of 3 days.

Head Office

Chipthing Labs

Accelerating the Embedded Revolution

2. Chipthing Labs will perform periodic audits at its own expense of teaching and facilities with the objective to continuing improvement in the quality of delivery. In general, the audit will be unannounced visits to sit through portions of St. Joseph's College of Engineering classes, plus reviews of student feedback and training records.
3. St. Joseph's College of Engineering agrees to comply with corrective measures and action plans that Chipthing Labs may recommend from audits/customer surveys etc. from time to time

E. TERMS OF AGREEMENT AND TERMINATION OF AGREEMENT

1. This agreement is effective from the date of signing by Chipthing Labs and shall be valid for a period of one year (12 months) from the date of the agreement.
2. Notwithstanding the stipulation in above clause, each party is entitled to terminate this agreement immediately on any other party committing the breach, which is not insignificant and such party does not remedy such breach within 30 days from written notice by the other party requiring the default party to remedy the same.
3. In the event of termination of the agreement, for whatever reasons, both the parties agree to fulfill their respective commitments to the already registered batch of students as if the agreement is still in force.
4. On termination of this agreement, neither party will be entitled to claim any compensation or damages for or in respect of or by reason of such termination, except where such claim is based on the default of the other party.
5. Neither party will in any event be liable to the other party under this agreement for loss of profit, loss of business, loss of revenue or for any indirect, incidental or consequential damages whether or not the possibility of such damages could have been reasonably foreseen.
6. On termination, for whatever reason, St. Joseph's College of Engineering shall remit the amounts due to Chipthing Labs as on the date of termination and Chipthing Labs shall complete the courses which are incomplete as on date of termination.

Chipthing Labs

Accelerating the Embedded Revolution

F. GENERAL PROVISIONS

1. St. Joseph's College of Engineering is responsible for providing the general infrastructure (tables, chairs, computers etc) for conducting the classes and lab for the enrolled students
2. All Required Hardware and Software to be provided by St. Joseph's College of Engineering for conducting the course. The software should be legal software licensed in the name of the college and the number of licenses shall be as per requirements given by Chipthing Labs from time to time based on actual registrations
3. St. Joseph's College of Engineering is an independent entity and neither has nor will have any power, right or authority to bind Chipthing Labs or to assume or to create any obligation or responsibility expressed or implied on behalf of Chipthing Labs.
4. Nothing contained in this agreement will be construed as constituting St. Joseph's College of Engineering and Chipthing Labs as partners or joint ventures, or as creating the relationship of employer and employee, as principal and agent or otherwise create any other relationship than as a provider of the service and St. Joseph's College of Engineering, as set out in this agreement.
5. This agreement is not assignable by St. Joseph's College of Engineering to any other party and Chipthing Labs will have the right to transfer or assign this agreement wholly or partly to any company within the Chipthing Labs's group or its successors and assigns.
6. Both the parties agree that they will indemnify each other from any and all claims from third parties arising out of acts, omissions or misrepresentation by the other party.
7. Neither party will disclose or make any unauthorized use of any information concerning to other party's business or information obtained in the course of their activities under this agreement, except to the extent necessary as per this agreement or any law.
8. Certificates will be issued by Chipthing Labs only to those students who have completed their courses successfully in all respects to the satisfaction of Chipthing Labs. The certificates will be issued within thirty days of such completion and will be handed over to St. Joseph's College of Engineering to be given to the students.
9. After successful completion of course, Chipthing Labs will assure to giving Real Time R&D Training for minimum of 15 students at Chipthing Labs premises

Bon Ton Softwares Pvt Ltd

Win in Style

An ISO 9001 : 2000 Certified Company

M.1 MEMORANDUM OF UNDERSTANDING

- M.1.1 This MEMORANDUM OF UNDERSTANDING (MoU) is made and entered into force on this 22nd day of December, Two thousand and eleven between M/s. Bonton Softwares Private Limited, having its registered office at 108, Kamaraj Avenue, Adyar, Chennai – 600 020, (hereinafter called **COMPANY**, which expression shall where the context so admits include its successors and permitted assigns) as one part.
- M.1.2. M/s. St.Joseph's College of Engineering , having its registered office at 12, Ganapathi street, Royapettah, Chennai- 600 014 and functioning at Jeppiaar Nagar, Old Mamallapuram Road, Chennai – 600 119 (hereinafter called as **COLLEGE**, which expression shall where the context so admits includes its successors and permitted assigns) of the other part.

M.2 PREAMBLE

M.2.1 Bonton Softwares Private Limited,

Hereafter referred as **COMPANY**, is a development and consulting firm in Information technology specializing in implementing and supporting web based information systems.

- M.2.2 We at Bon Ton are a group of young, smart minds and sincere professionals ever hungry for achievement, blended with a fire for excellence BonTon is involved in doing research in various domains, via its R & D lab. The Research & Development lab in Chennai is exclusively dedicated for this purpose.

M.2.2. St.Joseph's College of Engineering

Hereafter referred to as **COLLEGE** was established in 1994 by an order of the Government of Tamil Nadu, Approved by AICTE and affiliated to the renowned Anna University, Chennai. The college situated at Jeppiaar Nagar, Old Mamallapuram Road, Chennai with a sprawling serene and evergreen campus, conducive to academic and research pursuits, is located just 15 km from Company, well connected by a network of roads.

The **COLLEGE** having nearly 300 well qualified and motivated faculty members – around 50 members with Ph.D qualification and Emeritus Scientists/ professors drawn from Research & development Organizations, Industry, Anna university, etc., and with a high student and staff ratio 15:1, enabling the faculty to pursue active research in addition to teaching, faculty members having published/ presented large number of research paper in international /National journals/Conference, several faculty members doing research for Ph.D / M.S degree and having received funds from AICTE,DST and TNSC/ST and also from industries, enjoys recognition as a Research

Institution of national standing. Further the high level academic achievements of college are reflected in the popularity of COLLEGE among public for admission and among industries for recruitment of its graduates.

M.3 SCOPE OF WORK

The two parties after considering objectives, strengths and after holding detailed discussions, have agreed to have an understanding for a meaningful collaborations for research and development in the field of Science, Engineering and Technology as per ACTIVITY given below.

- M.3.1. Extension of facilities such as computers, software, sophisticated equipment, instruments etc. available at Company to the faculty members of the COLLEGE for advanced research and that available at COLLEGE to professionals of Company.
- M.3.2 Collaborative research programs with special reference to challenges in formation technology will be identified from time to time.
- M.3.4 Identification and implementation of student projects such that the professionals of Company help to verify and validate available methods and techniques and to develop new approaches.
- M.3.5. Mutual extension of Library facilities of the College and Company for the benefit of students, faculty and scientists.
- M.3.6 Institute Industry programmes for Professionals of Company to work at the college to guide research, develop laboratories, deliver lectures etc., and faculty of the college at Bonton to pursue research and deliver lectures.
- M.3.7 Conduct of joint programmes, such as training, short courses etc., in specialized areas for students, faculty, scientists and also for members of other organizations
- M.3.8 Paper publication in Journals and presentation in conferences under combined authorship.
- M.3.9 Organization of Conferences, Seminars, Symposia, Workshops and Refresher Courses on Collaborative effort.

M.4 FINANCE

- M.4.1 Whenever Bonton professionals visit College as experts or vice versa, the remuneration, allowances etc., if any to be paid as per normal guide lines of each institute.
- M.4.2 If any joint project is being carried out and the related experimentation study is being conducted at any agreed institute, the expenditure is to be borne normally by the

institute where the experiment/ study is being carried out. However, if the expenditure of the study / experimentation is going to be high (more than 1 lakh), then the parties will mutually agree to share the cost on case to case basis at the agreed proportion.

M.4.3 The cost of transportation, stationary etc., if any connected with the scope of work shall be borne by the party who is incurring the cost.

M.5 GENERAL PROVISIONS

M.5.1 Either party shall not be responsible for any damage to property / plant/ material / personnel of the other party during the course of consequent to jobs taken up under this MoU.

M.5.2 The COMPANY and College shall during the tenure of the MoU or thereafter, be free to take up, without any prejudice to the other party, consultancy work similar to or same the ACTIVITY, for other parties on terms and conditions as it may decide upon.

M.5.3 The PARTIES shall not file any application for seeking intellectual property rights in its own name or in the name of its associates or any other person(s) on any matter relating to the information disclosed to each other under this MoU. However, they can seek intellectual property rights in the joint name as mutually discussed and agreed on case to case basis.

M.6 PUBLICATIONS

Publications, if any, in respect of the ACTIVITY shall be in the names of Bonton personnel connected with the ACTIVITY and the COLLEGE personnel. In all publications (papers, reports etc.,) it will be duly acknowledged that the work has been carried out by Company and the College under an MoU between the parties.

M.7 AMENDMENTS

No amendment or modification of the MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically standing the same to be an amendment of this MoU. The modification / changes shall be effective from the date on which they are made / executed, unless otherwise agreed to.

M.8 DURATION OF THE MoU

The duration of this MoU shall be 3 years from the day of signing of the MoU. The MoU shall stand renewed automatically, unless desired otherwise either parties.

IN WITNESS WHEREOF THE UNDERSIGNED, duly authorized there to, have signed this memorandum of understanding on 22 nd day of December, Two thousand and eleven in four originals.

MEMORANDUM OF UNDERSTANDING
on
Nuvoton ARM Cortex-M0 Academic Program

This Memorandum of Understanding ("MOU") is entered into between Nuvoton Technology Corporation, located in No. 4, Creation Road III, Hsinchu Science Park, HsinChu, Taiwan, R.O.C., ("Nuvoton") and St. Joseph's Group of Institutions, located in Old Mamallapuram Road, Chennai-600119, Tamil Nadu, India, ("St. Joseph's Group of Institutions").

1. PURPOSE

The purpose of this MOU is to carry out "Nuvoton ARM Cortex-M0 Academic Program" ("Program") of discussing and evaluating knowledge and technology about the latest 32-bit ARM Cortex™-M0 microcontroller technology between industry and academia.

2. FOR RESEARCH AND/OR EXCHANGE

Nuvoton commits to the relationship:

- Nuvoton will support 20 units of NuMicro Cortex™-M0 Nu-LB-NUC140 learning boards.

St. Joseph's Group of Institutions commits:

- St. Joseph's Group of Institutions will setup a NuMicro Cortex™-M0 microprocessor lab which will be used for microprocessor and embedded system research and classroom teaching purpose by students and faculty members of St. Joseph's Group of Institutions.
- Dr. Ramani Kalpathi of Electrical & Electornics Enginerring Department will be responsible for the conduct of this Program.

3. CONFIDENTIALITY

This paragraph is legally binding.

St. Joseph's Group of Institutions shall keep confidential all information received or created in the course of this MOU.

The obligation of confidentiality shall apply to all persons who are or have been: (a) employed by or involved in the governance of St. Joseph's Group of Institutions; (b) participated in the Program; or (c) otherwise associated with St. Joseph's Group of Institutions. St. Joseph's Group of Institutions may disclose information to aforementioned persons who have a need to know such information for the purposes of the activities envisaged by this MOU, and St. Joseph's Group of Institutions shall ensure to whom it discloses Nuvoton's information comply with this confidentiality obligation.

If St. Joseph's Group of Institutions intends to use, disclose or transfer information received or created in the course of this MOU for any purpose other than those stated herein, it must obtain the prior written and specific consent of Nuvoton. In the event that St. Joseph's Group of Institutions

This MOU is not exhaustive and is not intended to be legally binding between the parties except where specifically stated.

This MOU is for the benefit of the parties to it and is not intended to benefit, or be enforceable by, anyone else.

This MOU may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same. The MOU is the sole consensus between the parties concerning the subject matter hereof and shall not be altered or amended except in writing duly executed by all parties.

IN WITNESS WHEREOF the parties have caused this MOU to be signed by their duly authorized representative:

Memorandum of Understanding

Between

St.Joseph's College of Engineering, Chennai,
Electronics and Instrumentation Engineering Department
and
M/s Starcom Information Technology Ltd, Bangalore

This Memorandum of Understanding is signed on the 15th day of February 2016, between the following institutions:

- a. Starcom Information Technology Limited, Bangalore (referred to as Starcom henceforth)
- b. St.Joseph's College of Engineering, Chennai (referred to as College henceforth)

This MoU is proposed in order to establish a teaching/research lab facility with College Under TI's College Connect Program (CCP) at St.Joseph's College of Engineering, Chennai.

Through this Memorandum of Understanding, the two parties agree to the following.

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of the Manager- University Relations Starcom and The Head, Department of Electronics and Instrumentation Engineering, St.Joseph's College of Engineering, Chennai. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) **Lab Setup:** College will set up lab using **TIMSP430 DEVELOPMENT KIT (Details are enclosed in Annexure B)** from Starcom as per the Price and terms Communicated through a Valid Quotation. As a part of post-sales support, Starcom will conduct workshop on supplied tools. On completion of workshop, college will Acknowledge receipt of Material with a letter (**Format is enclosed in Annexure-A**) on college letter head Attested by Authorized Signatory.

- (c) **Workshops/Events:** Starcom will provide speakers for this workshop and on Completion of workshop the module content of Workshop will be given to the College.
- (d) **Curriculum:** If the College wishes to introduce "Internet of Things (IoT)" in their curriculum, Starcom will extend required support.
- (e) **Publicity through Media:** The College does not publicize the event or other external communications about the MoU in electronic or print media without explicit permission from Starcom. In case the college wants to do so, a prior approval from Starcom is required.

**Memorandum of Understanding
Between
M/S. Gemicates Labs,
and
St. Joseph's College of Engineering**

1. Gemicates Labs

Gemicates is a professional design and manufacturing of consumer electronic devices. The company is engaged in research, development and production of user-friendly home, office and building automation, alarm systems and security products. A strong research and development group and manufacturing in India makes Gemicates a competent and quality producer. The company philosophy is to enhance comfort, improve security and promote energy conservation.

Gemicates Labs is the training lab in Chennai offering hands-on practical knowledge and job assistance with basic as well as advanced level Embedded Systems and IoT training courses. **Gemicates Educational Division - Gemicates Labs** under **GEMICATES TECHNOLOGIES** looking to transform students to qualified Engineers.

On behalf of Oracle Corporation, Oracle Support Services would like to thank you for your recent purchase of Oracle products and technical support services. Our support services team is ready and committed to assist you in protecting the investment you have made.

With your purchase, you now have access to Oracle's exclusive web support portal which provides you secure, real-time access to critical and timely information related to your investment in Oracle's technical support services. Please visit the Oracle Support website at <http://www.oracle.com/us/support/index.html> where you will find information about technical support service descriptions, technical support policies, technical support news and events, and internet seminars.

You can also access Oracle technical support services through one of the industry leading web-based customer support systems:

- **My Oracle Support**

To register for My Oracle Support, please use your **Customer Support Identifier ("CSI")** number below. If you are already a registered user, please add the CSI number(s) below to your existing My Oracle Support user profile. To access My Oracle Support, [click here](#).

- Review [My Oracle Support - How-to Training Videos](#) and quickly learn about key features of My Oracle Support in just a few minutes.
- Learn more about My Oracle Support features and capabilities by attending **My Oracle Support Essentials** sessions. To view the current schedule and to register [click here](#).

- **Support interfaces for recently Acquired Products**

Oracle is committed to ensuring that you receive specific product support as we transition recently acquired companies into Oracle's framework of technical support services and tools. To access the appropriate support portal for your product, please go to: <http://www.oracle.com/us/support/support-integration/index.html>

Technical Contact Information

As the technical contact for **St Joseph's College Of Engineering**, you are the individual designated within your organization who may contact Oracle Support Services to resolve technical issues.

If your order with Oracle allows international deployment of programs to your subsidiaries or includes hardware that has been relocated outside the country of delivery, please communicate the relevant CSI in this email to persons in those countries who will be technical contacts with Oracle.

Technical Support Service and Products Details

Order Number: 38145331

Service Start Date	Service End Date	Service Level		
01-APR-2019	01-APR-2022	Software Update License & Support		
Product		CSI	Serial Number	Quantity
Oracle Academy: Institution Level License Bundle - Nonstandard User		20534273		1

Customer Support Identifier Information:

Your Customer Support Identifier number is 20534273

Note: Please call Oracle's local country [Support Hotline](#) if you are not the designated technical contact or if you have any additional questions.

Oracle provides a complete and fully integrated global technical support service portfolio supported by over 50,000 development engineers and customer support specialists ready and able to support you. We hope you will take advantage of our outstanding technical support services including 24/7 technical assistance, powerful proactive support resources, and product updates.

Welcome to Oracle and enjoy your access to Oracle Support Services.

Sincerely,
Oracle Support Services
