

Institutional Core Values

St. Joseph's College of Engineering
St. Joseph's Group of Institutions
OMR, Chennai – 119

St. Joseph's is committed in practices that are fair, honest and objective in dealing with students, faculty members and other stake holders, which fosters a climate of ethical conduct, respect, responsibility and Trust. We believe in Stakeholder partnership for holistic institutional development and to promote a healthier working atmosphere with the following core values:

Reverence

- To fulfill our mission of reaching newer heights through multiple practices by fostering an inclusive and caring environment.
- To respect and value the individual diversity, allowing to harness the richness of ideas and perspectives for the benefit of the whole staff and student community.
- To keep up confidence on the stakeholders and recognize their support
- To show gratitude to the stakeholder's contribution

Excellence

- To promote Academic excellence and encourage innovation among students and staff
- To exhibit quality in recruitment, infrastructure facilities and service
- To sustain interactive teaching learning process

Liability

- To keep transparency in administrative functions
- To take responsibility for professional growth and development
- To continuously evaluate the systems and policies

Discipline

- To inculcate human values among students
- To promote gender equity, Indian culture and traditions
- To mould our students as responsible citizens of the Nation
