**St. Joseph's விடிவெள்ளி  
Foundation**

# St. Joseph's விடிவெள்ளி

To give to the needy is true charity. All other gifts have a nature of measured return. Each human being has equal opportunity to have a peace living. Every one of us should give more to private and charitable effort to eliminate poverty. Our Chairman desires for extending his support to the homes for the aged people, children suffering with cerebral palsy and orphanages through St. Joseph's விடிவெள்ளி, a non-governmental organization since the year 2011. Also, he wants to invoke the service mind of student community by encouraging visits to these homes.

All these visits gave our students an awareness of the existence of poor, downtrodden lifestyle and also a feeling to acknowledge their own good fortune and created a sense of duty towards those less fortunate which is the need of the hour for our country's development. Further, it makes the young mind to serve the needy and thereby make them responsible citizens for the past eight academic years.

## STUDENTS ACTIVITY

All the students, from first year to final year both UG and PG enthusiastically participated and mingled with inmates of the homes and spent their daytime with them spreading their happiness. They also spent their pocket money in a charitable manner by offering needy things.

In addition, for the past eleven years, our college provides evening snacks to the students of Government Higher Secondary School at Semmencherry, Panchayat Union middle school at Navalur and also breakfast for Government higher secondary school at Sholinganallur. The entire cost of food and transportation for these meets were sponsored by our College.

Our student volunteers are regularly involved in evening coaching classes along with school teachers for the 10<sup>th</sup> standard school students. Our student's efforts resulted in increase in pass percentage in public examinations, and this year it is expected to reach more than 90%.

By means of these above stated distinctive 'St. Joseph's social extension activities' we mould our students as service minded and thereby make them responsible citizens.
