

**ANTI RAGGING
COMMITTEE**

DELUXE BOOK

2020 - 2021

The annual meeting of the Anti-Ragging committee of St. Joseph's College of Engineering for the academic year 2020-2021 was conducted on 24th June, 2020.

The meeting aimed to ensure a peaceful learning atmosphere for the students by following the measures that eliminate 'Ragging' from the College campus.

The main focus was to create awareness among the students.

The sedulous efforts of the Committee members, to address 'Ragging' in the campus were highly appreciated by the Management and Principal.

The members of the committee were advised to be cautious and vigilant, especially around the Bus Bay, Mess Halls, and the Hostel.

The repercussions of 'Ragging' are defined clearly to the senior students every semester during department orientations and other meetings.

An affidavit, attested by an Oath Commissioner, signed by both the parent and student must be collected, once the provisional admission is confirmed.

The rules and regulations to control 'Ragging' inside the college premises should be addressed using notice boards that are to be placed at the Main Entrance, Mess Halls, Bus-bay and Hostels.

* The committee members were asked to sustain the existing 'Anti-ragging' environment in College campus.

* The Committee members thanked the Management, Faculty members, as well as students, for their cooperation and support last year. The Management also directed the committee members to stay prudent and aware of the situation inside the campus at all times.
