INTERNAL COMPLAINTS COMMITTEE

2020-2021

22-02-2021

The annual meeting of the anti-sexual harassment committee was held on 15-02-2021 at St. Joseph's College of Engineering.

* The Committee met and thanked the management for creating a safe atmosphere for the students while doing its duty for sharing knowledge and information to its students.

* St. Joseph's College of Engineering has always remained as a safe place right from its inception due to the efforts taken by the Management and Faculty members.

* All the girls are generally briefed on their safety periodically by the Committee members.

* Stern rules are followed by the College to develop principles and procedures for combating sexual harassment.

* The Committee members had always made a point to implement new and safe measures for the students especially the hostellers.

* The Committee members always encourage all the students to approach without any delay, but so far it has been a null

Complaint college Campus.

* Special attention is given to all girl students with extra interest on the hostellers. Girls are not permitted to go out without proper permission from their parents or local guardians.

* Parents and guardians are provided with a photo identity card and anyone apart from them are not permitted to meet the hostel students at any cost. Even during outing a strict order is maintained and attendance is taken every day in the hostel.

* When a girl student falls sick, the student is taken utmost care with the help of a lady faculty who stays with her till the arrival of the parent/authorized guardian.

* The Committee personally thanks the management, all the teaching and the non-teaching members of the college for maintaining a safer environment within the campus for all the boys and girls.
