 ACTION TAKEN REPORT (2018 -2019)**

Feedback was requested from following stakeholders

S.No	Stakeholder	Count
1.	Students	60
2.	Teacher	35
3.	Alumni	100
4.	Employer	10
5.	Parents	40

Feedback Analysis of Stakeholders and Action Taken Report

S.No	Stakeholder	Feedback	Action Taken
1.	Students	Need more Industry Interactions and value added courses Need Project based laboratories Need to participate in more National level Symposiums outside Tamil Nadu Special care to be taken for slow learners	Industrial experts are invited to deliver talks on current trends and emerging areas. A dedicated project laboratory is established for the students to build their own prototypes. Participation by students in Technical Symposium is encouraged. Materials are given to slow learners and special coaching classes are conducted.
2.	Teacher	Students should be encouraged to prefer electives that are relevant to the specialization streams and to the technological advancements. FDPs should be organised for the final year courses.	Syllabus and significance of each elective is explained to the students and motivated to prefer electives based on current technological advancements. Anna University approved Two weeks FDP is conducted for Wireless Communication course to provide a platform for the faculty members to exchange their ideas in teaching and learning process.
3.	Alumni	Core company placement need to be arranged. IT – Product Based company placements can be arranged.	Core Companies like VVDN and Robert-Bosch are invited for the placement drive. Product based companies like ZOHO, Soliton and many such company placements have been arranged.
4.	Employer	Students should improve their experiment-oriented learning skillsets.	Value Added Courses (VAC) is conducted for pre-final year students by industry experts.
5.	Parents	Extra-curricular activities of the student should be encouraged. Measures can be taken to make students get placed in Government organizations.	Students are motivated to participate in national level contests. Civil services and Defence services Coaching has been started by the institution.

CHART ANALYSIS 2018-19

TEACHERS FEEDBACK ON CURRICULUM

- **The examination report of the educators' criticism uncovers that they are exceedingly happy with the structure of the educational modules.**
- **The proposals given by them identified with explicit subjects were noted for further activity.**

The College has made it a practice to conduct all faculty meeting, once in the starting of the semester, where the ways and means of enhancing the curriculum, academic discipline, Teaching Learning process and Research and Extension activities are discussed. During such meetings, the individual faculty members express their honest opinion on the curriculum; research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the respective councils for implementations. The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Based on the feedback obtained, various industrial visits, guest lectures, value added courses and students workshops are organised to fill the gap in the curriculum.

Feedback analysis report:

- The analysis report of the teachers' feedback reveals that they are highly satisfied with the framework of the curriculum.
- The suggestions given by them related to specific subjects were noted for further action.

Alumni Survey

Academic Year: 2018-2019

An Alumni meeting was conducted for the Academic Year 2018-2019. More than 150 alumni attended the meeting for which they were eagerly awaiting. They thanked the department for the efforts and support provided to them in moulding their future and realizing their dreams. They were much thankful to the Placement and Training department for providing best aptitude and soft skill training classes and online tests especially the Skill rack, AMCAT, Cocubes etc.. which enhanced their skills so as to become competent and successful in IT and core companies. They thanked the management for providing various facilities such as Library, ABHS, Industrial visits that were very helpful during the period of study. They also complimented the mess and transport department for providing quality hygienic food and timely bus service. They recalled the unique NGO service rendered by the college as a great service to the society. Many of the Alumni appreciated the efforts taken for the slow learner and arrear students. They assured to offer and extend their support for the overall development of the department. The overall strength and weakness are summarized as below.

Strengths

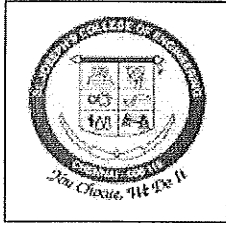

1. Excellent infrastructure
2. Effective Placement and Training
3. Experienced Staff
4. Special care for slow learners

Weakness

1. Core company placement
2. Outstation visit and tour to be arranged
3. Project competition cum exhibition to be arranged

Feedback analysis report

From the feedback analysis all the alumni were proud to be part of St. Joseph and appreciated the management for the efforts taken for the overall improvement of the college and they would strongly recommend to their friends and relatives.
