**One day Workshop on
"Intellectual Property Rights
& Innovations"**

(Highly effective workshop to transform faculty members to convert their research and project works into Patent)

The one day workshop on "Intellectual property rights & Innovations" is well structured, focused and result oriented. The workshop focus on the 'Overview on Intellectual Property Rights (IPRs)' and 'How to convert the research and project works into Patents'. This training will bring a positive transformation in the Faculty member's attitude in their project and research works and get them more focused as well as result oriented, so that you can achieve the organizational goals at ease.

Trainer

Dr. M. Kantha Babu

Director,

Centre for Intellectual Property Right
College of Engineering Guindy,
Anna University, Chennai -600025.
Email: kb@annauniv.edu
Mobile: 9444114691

About Trainer:

Dr. M. Kantha babu has obtained BE in Mechanical Engineering from Coimbatore Institute of Technology (CIT), Coimbatore and his Master's and PhD degrees from Indian Institute of Technology Madras (IIT Madras), Chennai.

Based on his research work he has so far published more than hundred technical publications in reputed International/National Journals and Conferences and applied for few Patents, Patent Design and Copy Rights.

Presently, he is handling Govt. Sponsored Projects worth more than Rs.1.50 Crores. He has more than 25 years of experience in teaching and research. He is also a certified professional Trainer.

He is recipient of 'Indian National Science Academy' award. He is dynamic, result-oriented, energetic and motivational speaker. His training session has proved to be a wonderful experience to the participants.

Target Audience:

Faculty members, Research Scholars and Final year BE/ME Project students.

Contents of the Workshop:

Forenoon:

1. Overview on Intellectual Property Rights (Patent, Design, Trademarks and Copyrights).
2. How to Convert the Project works/Research Works into Patents.

Afternoon:

1. Demo on how to do previous Patent searches related to your work - Practical sessions in computer lab with internet facilities.

Benefits and Take Away:

1. To Convert BE/ME and Ph.D Research works into Patents.
2. To Convert the project works into Commercialization.
3. To Generate Funds for running the Institution from Commercialization/ Royalty.
4. To bring long-term benefits to the Institutions on par with top class Universities
5. To Install continuous Improvement in achieving the outcomes of the Institution.
